World's largest manufacturer of  
homoeopathic medicines, from **GERMANY**

# Schwabe India

The company is a part of the Schwabe group, which is the oldest and most venerated homoeopathic manufacturer in Germany and the world.

The parent company, Dr. Willmar Schwabe Arzneimittel, is the leader in the production of quality natural medicines and ascertains quality and availability of raw materials from its plantations in China, Germany, France, South Africa and U.S.A. The company was founded by Dr. Willmar Schwabe (1840-1917), pharmacist, author and publisher who pioneered the introduction of scientific methods and standards in the profession of homoeopathic pharmacy.

With the establishment of its state-of-the-art manufacturing plant in Noida (Uttar Pradesh), Schwabe India as the new company is known, brings over 140 years old tradition of excellence in the production of homoeopathic medicines. The plant, the only one of its kind in the country, deploys the best technological know-how available in the world today. The company imparts high-grade training to its employees, in the original German homoeopathic formulations, while respecting the local legal framework.

A lot of emphasis is laid on cleanliness. Absolutely dust-free environment is maintained by various methods. The structure is so designed that every accessory, like air conditioning, electrical supply, hot water, cold water, DM water and distilled water, required in the manufacturing area, come through the technical floor which is just above the manufacturing area. The production area has "Epoxy" flooring and rounded corners. This prevents dust particles from settling on the floor.

**High Efficiency Particulate Air Filters (HEPA Filters)** have also been installed in the plant to ensure total bacterial elimination in the filling area. This facility, apart from use of genuine raw materials, back potencies and **Extra Neutral Alcohol (ENA)**, make Schwabe India's dilutions superior to other dilutions in the market.

The plant has its own water distillation unit to meet its total requirements. There is also a De-Mineralised water plant that provides up to 10,000 litres of water per day. To avoid microbial growth in stagnant water, this is kept under constant circulation.

The quality assurance laboratory checks quality of all raw materials, packaging materials and finished products. All incoming herbs and raw materials are tested for their pharmacopoeial requirements and compared with authentic preserved samples, that are used as set samples. Cutting edge technology is used to assure quality control.

Success of homoeopathic treatment depends on, one hand on the skill of the physician and on the other hand quality of the medicine used.

Schwabe India's emphasis is always on uncompromising quality and it is always our endeavor to strengthen the hands of homoeopaths, by making available to them the best of Homoeopathic Medicines.

World's largest manufacturer of  
homoeopathic medicines, from **GERMANY**

## Index

# Introduction

## Product Catalogue

This Product Catalogue contains a very comprehensive listing of Schwabe India's product range that you can use in your day-to-day practice. In this edition, we have made every effort to make the catalogue as user-friendly as possible.

We have given a set of easy-to-use instructions about the entries made in the single remedies section (refer to Drug Listing). This will help you find any mother tincture or dilution (in all the potencies that we supply) that you wish to order from us.

You will also find a list of the following products after the single remedies section:

- Products available in 3X and LM Potencies
- Nosode / Sarcode / Imponderabilia / Tautopathy
- Products available in Low Attenuation Trituration Tablets (LATT)
- Biochemics (Dr. Schuessler's salts)
- Biocombinations
- Alpha Range
- Kindi Range
- Pentarkan Range
- Topi Range (creams & gel)
- Other Speciality products
- 1X Tablets Range (new introduction for lifestyle ailments)

## Drug Listing

All the single remedies are arranged in alphabetical order. For your convenience, an attempt has been made to list the drugs by the names used in homoeopathic literature and pharmacopoeias.

The sign = means that the drug is known by more than one name.

Example : The product Ginseng in page no. 28. The other names for Ginseng are, Panax ginseng and Aralia quinquefolia. All the three are the same drugs.

The sign 'S' stands for synonym.

Example : Ginkgo and Ginkgo biloba are synonymous. In other words they mean the same. It only directs you to see the drug by its pharmacopoeial name entry.

## Schwabe's Imported Products

**For Schwabe Germany Products** please obtain the order form of **German Product Range** from our field staff or write to us.

| 20. Arsenicum iodatum                    | 68. Lycopodium clavatum             |
| 21. Arsenicum metallicum                 | 69. Magnesium carbonicum            |
| 22. Aurum metallicum                     | 70. Magnesium phosphoricum          |
| 23. Baptisia tinctoria                   | 71. Mercurius solubilis Hahnemann   |
| 24. Barium carbonicum (Baryta carbonica) | 72. Mercurius sublimatus corrosivus |
| 25. Barium muriaticum (Baryta muriatica) | 73. Mezereum                        |
| 26. Belladonna                           | 74. Natrum muriaticum               |
| 27. Berberis vulgaris                    | 75. Natrum sulphuricum              |
| 28. Borax                                | 76. Nux vomica                      |
| 29. Bryonia alba                         | 77. Phosphorus                      |
| 30. Calcarea arsenicosa                  | 78. Phytolacca                      |
| 31. Calcarea carbonica Hahn.             | 79. Plumbum metallicum              |
| 32. Calcarea fluorica                    | 80. Podophyllum peltatum            |
| 33. Calcarea phosphorica                 | 81. Pulsatilla                      |
| 34. Calcarea sulphurica                  | 82. Rhus toxicodendron              |
| 35. Cantharis                            | 83. Ruta graveolens                 |
| 36. Carbo vegetabilis                    | 84. Sabina                          |
| 37. Caulophyllum thalictroides           | 85. Sanguinaria canadensis          |
| 38. Causticum Hahnemann                  | 86. Sepia                           |
| 39. Chamomilla                           | 87. Silicea                         |
| 40. Chininum arsenicosum                 | 88. Stannum metallicum              |
| 41. Chininum sulphuricum                 | 89. Staphysagria                    |
| 42. Cimicifuga racemosa                  | 90. Stramonium                      |
| 43. Cina                                 | 91. Sulphur                         |
| 44. Cinchona officinalis (China)         | 92. Symphytum officinale            |
| 45. Colchicum autumnale                  | 93. Thuja occidentalis              |
| 46. Colocynthis                          | 94. Thyroidinum                     |
| 47. Conium maculatum                     | 95. Veratrum album                  |
| 48. Cuprum metallicum                    |                                     |

**Pack Size:** LM potencies are available in globules of 8gm.

## Products available in Low Attenuation Trituration Tablets (LATT)

S. No.	Name of the LATT	Price category	Potency available in LATT
1	Acetanilidum (Antifebrinum)	A, A	3X, 6X
2	Alumen	A, A	3X, 6X
3	Alumina	A, A	3X, 6X
4	Aluminium muriaticum	A, A	3X, 6X
5	Ammonium bromatum	A, A	3X, 6X
6	Antimonium sulphuratum aurantiacum	A, A	3X, 6X
7	Antipyrinum	A, A	2X, 6X
8	Argentum nitricum	A	6X
9	Arsenicum iodatum	B, A	3X, 6X
10	Arsenicum sulphuratum flavum	C, A, A	3X, 4X, 6X
11	Aurum muriaticum	D, A	3X, 6X
12	Aurum muriaticum natronatum	D, A	3X, 6X
13	Barium aceticum (Baryta acetica)	A, A	3X, 6X
14	Barium carbonicum (Baryta carbonica)	A, A	3X, 6X
15	Barium iodatum (Baryta iodata)	A, A	3X, 6X
16	Barium muriaticum (Baryta muriatica)	A, A	3X, 6X
17	Belladonna	A, A	3X, 6X
18	Bismuthum subnitricum	A, A	3X, 6X
19	Borax	A, A	3X, 6X
20	Caffeinum	A	1X
21	Calcarea arsenicosa	C, A	3X, 6X
22	Calcarea carbonica Hahnemannii	A, A	3X, 6X
23	Calcarea hypophosphorosa	A, A	3X, 6X
24	Calcarea iodata	B, B	3X, 6X
25	Calcarea ova tosta	A, A	3X, 6X
26	Calcarea silicata	A, A	3X, 6X
27	Carbo vegetabilis	A, A	3X, 6X
28	Chininum (Chininum purum)	B, A	3X, 6X
29	Chininum arsenicosum	B, A	4X, 6X
30	Chininum sulphuricum	B, A	3X, 6X
31	Cholesterinum	A, A	3X, 6X
32	Cinchona officinalis (China)	A, A	3X, 6X
33	Cinnabaris	A, A	3X, 6X
34	Colchicinum	D, A	3X, 6X
35	Cuprum oxydatum nigrum	A, A	3X, 6X
36	Ephedrinum muriaticum	A, A	3X, 6X
37	Fel tauri	C, A	3X, 6X

S. No.	Name of the LATT	Price category	Potency available in LATT
38	Ferrum arsenicicum	A, A	3X, 6X
39	Ferrum metallicum	A, A	3X, 6X
40	Ferrum muriaticum	A	6X
41	Graphites	A, A	3X, 6X
42	Gun powder	A, A	3X, 6X
43	Hekla lava	A, A	3X, 6X
44	Hepar sulphur	A, A	3X, 6X

46	Kalium bichromicum	A, A	4X, 6X
47	Kalium bromatum	A, A	3X, 6X
48	Kalium iodatum	A, A	3X, 6X
49	Kalium nitricum	A, A	3X, 6X
50	Lecithinum	A, A	3X, 6X
51	Lithium carbonicum	A, A	3X, 6X
52	Magnesium carbonicum	A, A	3X, 6X
53	Magnesium muriaticum	A, A	3X, 6X
54	Magnesium sulphuricum	A, A	3X, 6X
55	Manganum aceticum	A, A	3X, 6X
56	Manganum dioxydatum/ Manganum oxydatum nativum	A, A	3X, 6X
57	Mercurius dulcis	A, A	3X, 6X
58	Mercurius iodatus flavus	A	3X
59	Mercurius iodatus ruber	A, A	3X, 6X
60	Mercurius vivus	A, A	3X, 6X
61	Naphthalinum	A, A	3X, 6X
62	Natrum arsenicum	A, A	3X, 6X
63	Natrum bicarbonicum	A, A	3X, 6X
64	Natrum fluoricum	A, A	3X, 6X
65	Natrum salicylicum	A, A	3X, 6X
66	Niccolum carbonicum	A, A	3X, 6X
67	Niccolum sulphuricum	A, A	3X, 6X
68	Nux vomica	A, A	3X, 6X
69	Pancreatinum	A, A	3X, 6X
70	Plumbum metallicum	A, A	3X, 6X
71	Resorcinum	A, A	3X, 6X
72	Salolum	A, A	3X, 6X
73	Selenium	A	6X
74	Stannum metallicum	A	6X
75	Strontium iodatum	A, A	3X, 6X
76	Strychninum sulphuricum	A, A	3X, 6X
77	Sulphur iodatum	A	3X
78	Thyroidinum	B, A	3X, 6X
79	Uranium nitricum	A	4X
80	Zincum valerianicum	B, A	3X, 6X

**Pack Size:** LATTs are available in 20gm.

# BIOCHEMICS

**Available as 3X, 6X, 12X, 30X & 200X**

No.	Salt	It is mainly used for the following
1.	Calcarea Fluorica (Calcium Fluoride)	Deficient tooth enamel. Rough, cracked skin. Discomfort of varicose veins and hemorrhoids. Flatulence.
2.	Calcarea Phosphorica (Calcium Phosphate)	Bone problems. Weak digestion. Teething complaints. Poor nutrition. Poor circulation. Cold hands and feet.
3.	Calcarea Sulphurica (Calcium Sulphate)	Skin eruptions. Boils, Pimples, Eczema. Swollen, tender gums that bleed easily.
4.	Ferrum Phosphoricum (Ferroso-Ferric Phosphate)	Anaemia. Fever. Inflammation.
5.	Kalium Muriaticum (Potassium Chloride)	Catarrh. Stuffy head cold. Croup. Eczema. Difficulty in digesting fatty or rich foods.
6.	Kalium Phosphoricum (Potassium Phosphate)	Nerve remedy. Mental fatigue. Depression. Insomnia. Muscle and nerve weakness. Nervous indigestion.
7.	Kalium Sulphuricum (Potassium Sulphate)	Eczema. Dandruff. Itchy, scaly skin. Shifting pain in legs.
8.	Magnesium Phosphoricum (Magnesium Phosphate)	Spasms and cramps. shooting, boring and cramping pains. Headaches. Neuralgia. Menstrual pain. Flatulence.
9.	Natrum Muriaticum (Sodium Chloride)	Cold with runny, watery discharge or dry, stuffy nose. Loss of smell and taste. Constipation with hard, dry stools. Watery diarrhoea. Constipation alternating with diarrhoea.
10.	Natrum Phosphoricum (Sodium Phosphate)	Hyperacidity. Heartburn. Dyspepsia. Indigestion from fatty food. Dizziness. Dull or full feeling in head.
11.	Natrum Sulphuricum (Sodium Sulphate)	Water retention. Edema of the feet. Flu symptoms. Biliaryness. Acid indigestion.
12.	Silicea (Silica)	Poor assimilation of food. Acne. Boils. Brittle nails. Weak memory. Excessive perspiration with offensive odor.

**Pack Size:** Biochemics are available in 20g and 550g.

# BIO-PLASGENS (BIO-COMBINATIONS)

Bio-Plasgen	Composition	Generally used for:
No. 1	Calc. phos.3x, Ferrum phos.3x, Natr. mur.6x, Kali. phos.3x	Anaemia
No. 2	Kali. phos.3x, Magn. phos.3x, Natr. mur.6x, Natr. sulph.3x	Asthma
No. 3	Magn. phos.3x, Calc. phos.3x, Natr. sulph.3x, Ferrum phos.3x	Colic
No. 4	Calc. fluor.3x, Kali. mur.3x, Natr. mur.3x, Silicea 6x	Constipation
No. 5	Ferrum phos.3x, Kali. mur.3x, Natr. mur.6x, Kali. sulph.3x	Coryza
No. 6	Ferrum phos.3x, Kali. mur.3x, Magn. phos.3x, Natr. mur.6x, Natr. sulph.3x,	Cough, Cold & Catarrh
No. 7	Calc. phos.3x, Ferrum phos.3x, Kali. phos.3x, Natr. phos.3x, Natr. sulph.3x	Diabetes
No. 8	Calc. phos.3x, Ferrum phos.3x, Kali. phos.3x, Kali. sulph.3x, Natr. sulph.3x	Diarrhoea
No. 9	Ferrum phos.3x, Kali. mur.3x, Kali. phos.3x, Magn. phos.3x	Dysentery
No. 10	Calc. phos.3x, Ferrum phos.3x, Kali. mur.3x	Enlarged tonsils
No. 11	Ferrum phos.3x, Kali. mur.3x, Natr. mur.3x, Kali. sulph.3x, Natr. sulph.3x	Fever
No. 12	Ferrum phos.3x, Natr. mur.3x, Kali. phos.3x, Magn. phos.3x	Headache
No. 13	Calc. phos.3x, Kali. sulph.3x, Kali. phos.3x, Natr. mur.3x	Leucorrhoea
No. 14	Ferrum phos.3x, Kali. mur.3x, Kali. sulph.3x	Measels
No. 15	Calc. phos.3x, Ferrum phos.3x, Kali. phos.3x, Magn. phos.3x, Kali. sulph.3x	Menstruation troubles
No. 16	Calc. phos.3x, Ferrum phos.3x, Kali. phos.3x, Magn. phos.3x, Natr. mur.3x	Nervous exhaustion
No. 17	Calc. fluor.3x, Kali. phos.3x, Ferrum phos.3x, Kali. mur.3x	Piles
No. 18	Calc. fluor.3x, Silicea 6x, Calc. sulph.3x	Pyorrhoea
No. 19	Ferrum phos.3x, Magn. phos.3x, Kali. sulph.3x, Natr. sulph.3x	Rheumatism
No. 20	Calc. fluor.6x, Calc. sulph.6x, Kali. sulph.3x, Natr. mur.6x, Natr. sulph.3x	Skin diseases
No. 21	Calc. phos.3x, Ferrum phos.3x	Teething troubles
No. 22	Calc. phos.3x, Ferrum phos.3x, Kali. mur.3x, Silicea 6x	Scrofula
No. 23	Ferrum phos.3x, Magn. phos.3x, Calc. fluor.3x	Toothache
No. 24	Calc. phos.3x, Ferrum phos.3x, Kali. phos.3x, Magn. phos.3x, Natr. phos.3x	Tonic : Nerves & Brain
No. 25	Natr. phos.3x, Natr. sulph.3x, Silicea 12x	Acidity, flatulence & indigestion
No. 26	Magn. phos.3x, Calc. phos.3x, Kali. phos.3x, Calc. fluor.3x	Easy parturition
No. 27	Natr. mur.6x, Kali. phos.3x, Calc. phos.6x	Lack of vitality
No. 28	All Twelve Tissue Remedies in 3x potency	General tonic

## BIO-COMBINATION OF FIVE PHOSPHATES

FIVE PHOS 3X, 6X	Calc. Phos., Ferrum phos., Kali. phos., Magn. phos. , Natr. phos.	General tonic for nerves
------------------	---	--------------------------

**Pack Size:** Bio-plasgens(Bio-combinations)/Five Phos are available in 20g and 550g.

## Alpha Range

Product Name	Pack Size	Indications
Alpha™- Acid	4x10 Tabs	Hyperacidity and heartburn associated with indigestion, flatulence, gastritis and gastric ulcer.
Alpha™- CC	4x10 Tabs	Acute and chronic cough, catarrhal influenza (dry cough stage, as well as expectoration stage), irritative and spasmodic cough.
Alpha™- CF	4x10 Tabs	Cold, catarrh, influenza, associated headache and bodyache.

# Schwabe India's Single Remedies

## Mother Tinctures - A Class by Themselves

- Schwabe India uses Extra Neutral Alcohol, a much more expensive, but purer alternative to any other type of alcohol used by other companies. Even double distilled alcohol is not free from impurities such as aldehyde and fusel oil. Extra Neutral Alcohol guarantees that homoeopathic dilutions and tinctures are free from impurities.
- The mother tinctures are filtered through very fine and expensive filters, which remove even the minutest of impurities that may occur during the handling of herbs.
- The filtered mother tinctures are stored in rooms fitted with expensive explosion-resistant and flame-proof electrical fittings of proper intensities to avoid any accident due to fire and protect the phytochemicals of the tinctures.

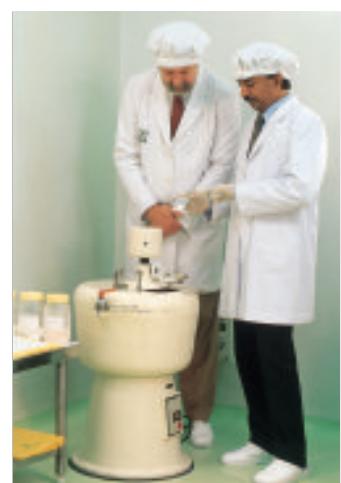

## Dilutions - A Class Apart

Drug potentization is done using the Hahnemannian method, which was introduced by Dr. Hahnemann himself and followed by Dr. Schwabe from the beginning. The whole process is under the responsibility of qualified experts.

## Trituration Tablets - As per Homoeopathic Tradition

The Homoeopathic Pharmacopoeia of India recommends that the trituration should be done up to 6x level. However, many do trituration only up to 4x or 5x levels followed by simple mixing, as this is more convenient. Schwabe believes in homoeopathic tradition and hence do trituration till the 6x level. German triturators are used for hard materials that can not be triturated on other machines.
